

Reunion July 2026

As we grow more aware of the impact our actions place on the homestead, we would like to expand our **carry in/carry out** policy. As you know for the last several years we have asked anyone planning to stay in the house to bring their own bedding and linens. This year we would also encourage people to bring their own dishware for the meals to minimize disposal of paper products **AND** to do as much advance meal prep as possible to make cooking in the kitchen, especially on Sunday morning as easy as possible.

The reunion schedule is designed to be as relaxing as possible. We encourage people to relax and catch up with family members at the homestead or to take advantage of the many outdoor adventures offered in the greater Wilmot area.

On Friday and Saturday night, we are planning BYO dinners with the grills hot and available by 6pm. We will have supplies for Smores available for dessert on both nights.

Saturday morning at 11:00 will be the Directors Blueberry Brunch. We will be having plain or blueberry pancakes (real maple syrup of course), bacon, fresh fruit, other breakfast pastries, juice and coffee. We hope everyone will plan on attending and will bring their appetite.

Fireworks will depend on weather conditions reunion weekend. If you are interested in making a donation towards the purchase of fireworks or bringing a contribution please let me know at theagaudette@gmail.com.

Our annual potluck dinner will take place on Sunday at 12:30 pm.

We may have a few fun activities scheduled during the weekend. Stay tuned for further information.

Hope to see you all in July.

Thea Gaudette
